OBJECTIVE

Aspiring to pursue a Master's degree in Management Information Systems to specialize in data-driven decision-making and business strategies. Aiming to integrate advanced technologies with management practices to optimize processes, solve complex challenges, and drive innovation through analytical and technical skills.

EDUCATION

Bachelor of Engineering: Information Technology

Rajiv Gandhi Institute of Technology

Mumbai University

CURRENT AGGREGATE: 7.92/10

Higher Secondary Certificate (HSC)

SVPV Borivali College

Maharashtra State Board

AGGREGATE: 64.62%

Secondary School Certificate (SSC)

Our Lady of Nazareth High School

Maharashtra State Board

AGGREGATE: 83.6% (Distinction)

PROFESSIONAL/INTERNSHIP EXPERIENCE

Business Analytics Intern

COMPANY: V S Sahil

DURATION: April 2024 – November 2024

- Assisted in developing and enhancing website functionality.
- Regularly updated website content to maintain relevance and accuracy.
- Conducted data analysis to identify trends and generate actionable insights.
- Utilized analytical tools to evaluate business performance, optimize processes, and enhance efficiency

PROJECTS

Final Year Project: Music Information Retrieval Using Deep Learning Techniques

- Researched and implemented deep learning techniques for music information retrieval.
- Designed and managed backend systems for seamless functionality.
- Trained and optimized models for accurate music classification and retrieval.
- Conducted data preprocessing and testing to ensure reliability.

Minor Projects

- **Smart Blink Walking Stick**
 - Designed an IoT-enabled smart walking stick to assist visually impaired users.
 - Integrated sensors for obstacle detection and real-time alerts.
 - Collaborated on implementing hardware components for enhanced functionality.
- **Blood Bank Management System**

- Designed database schemas for donor and recipient management.
- Contributed to backend development for seamless data handling.
- Created a user-friendly interface and participated in rigorous testing.

Professional Projects

- **Website Development and Management**

COMPANY: V S Sahil

DURATION: April 2024 – November 2024

- Enhanced website functionality and ensured continuous updates.
- Resolved technical issues for seamless performance.
- Optimized website design to improve user experience.

PUBLICATIONS

- **Music Information Retrieval Using Deep Learning Techniques**

Published in INTERNATIONAL JOURNAL OF SCIENTIFIC RESEARCH IN ENGINEERING & MANAGEMENT, Volume 08, Issue 05 (May 2024).

TECHNICAL SKILLS

- **Programming Languages:** C, Java, HTML, CSS, JavaScript, React (Intermediate)
- **Databases:** SQL, MySQL
- **Operating Systems:** Windows, Linux, macOS
- **Software Tools:** Microsoft Office Suite, Adobe Illustrator, Adobe Photoshop, Power BI, Tableau

CO-CURRICULAR ACTIVITIES

- Participated in "Code-a-Mania," showcasing programming and problem-solving skills.
- Active member of ABIT (Information Technology Committee), contributing to multiple initiatives.
- Served as Marketing Head and later as Event Management Secretary, demonstrating leadership and organizational skills.
- Organized technical workshops to enhance peer knowledge and skills.
- Managed and executed live events, ensuring smooth coordination and audience engagement.
- Conducted a lecture on Business Analysis on the occasion of teachers day at ABIT

EXTRACURRICULAR ACTIVITIES

- Organized the state-wide "Shark-a-Thon" event as Event Management Secretary.
- Volunteered annually for beach cleanup drives and food donation campaigns for children.
- Led the coordination of a successful Bike Expo, showcasing teamwork and organizational skills.
- Represented at the district level in football during school, highlighting athletic excellence.
